Opening Registration

2025 South African Association of Engineering Insurance Conference

About Us

The overall vision and objective of the conference is to raise awareness and to develop and promote collaboration and understanding of the engineering insurance classes of business to the wider insurance market and related stakeholders.

Who can attend

The invitation and supporting documents are enclosed, kindly circulate the invitation within your organisations. Please take this opportunity to support this great industry initiative through attendance.

The conference is open to all Engineering Insurers, Loss Adjusters, Reinsurance Brokers and Reinsurers.

Dates, Times and Venue

No payments made will be refunded. All outstanding registration fees are due immediately and payable on or before the **19 September 2025** to secure your place. If not paid by this date, then we reserve the right to give the next company the opportunity to use the accommodation option.

Due to limited space, registration will be allocated on a "first come – first paid" basis.
